May 2015, Conde Nast Traveller—

The most recent issue of Conde Nast Traveller, Jewellery Edition, featured Armenta’s popular Buddah bone enhancer. The section titled “Trend: Spiritual” featured the piece. Armenta’s New World laughing Buddha bone enhancer has champagne diamonds and retails for \$1,100.

April 2015, The Chicagolite—

Style and Wellness blogger, Kori Coleman, from the Chicago area attended a Neiman Marcus Michigan Avenue Armenta Event and wrote an article on the story of the company. Coleman hit the highlights of Emily Armenta’s inspirations from poet Federico Garcia Lorca to her Rice MBA classes. She discusses the metals and layering techniques of the collection with a variety of model shots from the event.
